

The L&Q Foundation was established in 2011 to help our residents and the communities they live in. Our vision is that 'no-one should be denied the opportunity to achieve their full potential because of where they live'.

£7.4m

Total amount invested in L&Q Foundation activities including staffing resources:

Social value generated*

*Based on the methodological principles of HACT's Wellbeing Valuation Approach

£23.5m

441

Residents in crisis were helped to keep their tenancies on track with help from our tenancy sustainment team

6,500+
