L&Q creates new Executive Group role to lead partnerships in the North West

L&Q is strengthening its regional leadership by adding a new Executive Group Director, Partnerships and Regional Operations to its Executive team. The new role will be based at the housing association's North West headquarters in Trafford, Greater Manchester.

Fiona Fletcher-Smith, L&Q Group Chief Executive, said: "This new role will help us to realise our corporate strategy by championing regional partnerships and leading on sustainable transformation and change for our operations in the North West".

Recruitment will begin immediately and will be internal-only.
