up to £400?

New employment support is here to help you get more

JobsPlus has launched to find **your way to work**. It combines community-led employment services with financial and wellbeing advice. Exploring job options will not impact your benefits.

Start a conversation about your job search, plus more:

- Interview skills
- Continuous coaching
- Managing health conditions
- Supporting travel and childcare

Our services are tailored to you and next steps are always in your hands.

L&Q

Jobs**Plus**

Join a growing number of residents signing-up to get more out of their job search.

Growing your support

Personal support from us is focused on helping you get more, whether that's income, opportunities, satisfaction, our new skills. Talk to us to find out more.

Building your community

Be part of a growing community of residents starting a new job. JobsPlus is a space to share your experiences and connect with others. Our services are designed to meet local needs.

Getting you more

Our friendly team is invested in you and the wider community. They understand the local jobs market, have strong relationships with employers, and have access to national resources.
