

A group of volunteers, mostly wearing bright yellow-green high-visibility vests with 'VOLUNTEER' and 'LOWER REGENTS COALITION' printed on them, are working on a canal bank. They are using tools like rakes and hoes to clear debris and plant vegetation. The canal is on the left, and a brick wall with graffiti is in the background. A city skyline is visible in the distance. A purple text box is overlaid on the bottom left.

# Celebrating Excellence: G15 Community Impact Report 2024 A YEAR IN NUMBERS

## INTRODUCTION

# Welcome to Celebrating Excellence: G15 Community Impact Report 2024 – A Year in Numbers

This summary of our Impact Report showcases the extraordinary achievements of residents, volunteers, community organizations, funders and staff who have worked tirelessly to transform lives across our communities.

As G15, we are proud to stand shoulder to shoulder with residents and local groups to:

- **Combat rising living costs** through practical advice and vital support
- **Create greener, safer, and more sustainable neighbourhoods**
- **Inspire young people** with engaging activities and opportunities
- **Empower individuals** through training, apprenticeships, and pathways to business and employment
- **Deliver resources and connections** through 230+ community centres and facilities.

At G15, our residents are not just participants – they are leaders. Their voices shape our actions, driving meaningful change and fostering vibrant, empowered communities. This year, we've taken bold steps to amplify local decision-making, forge dynamic partnerships, and elevate participation in community investment activities. Together, we are building stronger, more resilient futures.

# Community investment in numbers

In the last financial year, 2023/24, the G15 housing association members collectively contributed:

Number of participants in all  
Community Investment Projects **319,924**
